SIDI MENAD SI AHMED

International Chief Advisor, shecco

Former Director of the Montreal Protocol Branch, UNIDO. Meteorologist with a specialisation on numerical forecast, Mr Si Ahmed has graduated from the Institut Hydrometeorologique de Formation et de Recherche of Oran (Algeria) and the Ecole Polytechnique Federale de Lausanne (atmospheric pollution).

Before joining UNIDO as a Protocol coordinator, and then, as a Director of the Multilateral Environmental Agreements Branch, he was Director on environmental studies at the Ministry of Environment in Algeria. Mr Si Ahmed was also a lecturer on Environmental Impact Assessment at the University of Algiers.
