

# CRYOTECH

**CLEAN, SUSTAINABLE & COST EFFECTIVE**

**TEMPERATURE CONTROL**

**FOR RETAIL & DISTRIBUTION**

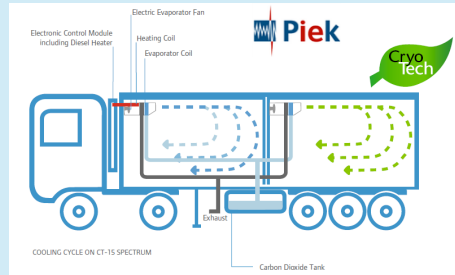

# CRYOTECH PRINCIPLE

COOLING CYCLE ON CT-15 SPECTRUM

# CRYOTECH SOLUTION

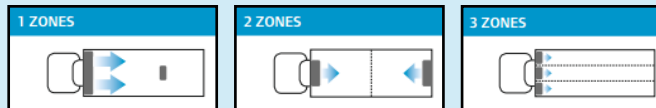

## TEMP. CONTROL UNITS

Cryogenic indirect and open loop using R744

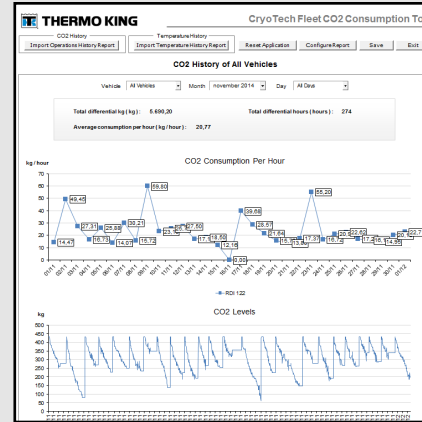

For trucks and trailers

- Multiple applications
- Ambient, fresh and frozen loads
- Up to 3 temperature zones

## OPTIMIZATION SERVICES

Unit R744 consumption monitoring and reporting

Unit inspection, optimization and driver training

## R744 DISPENSERS

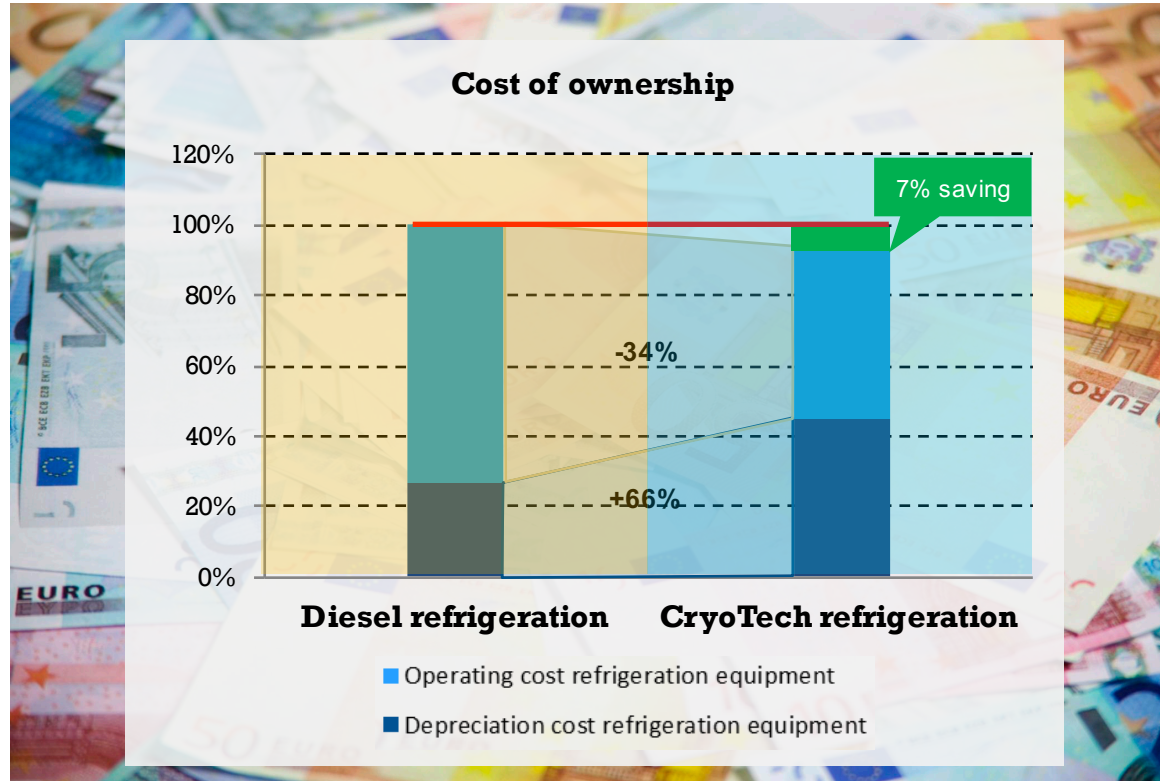

Private locations

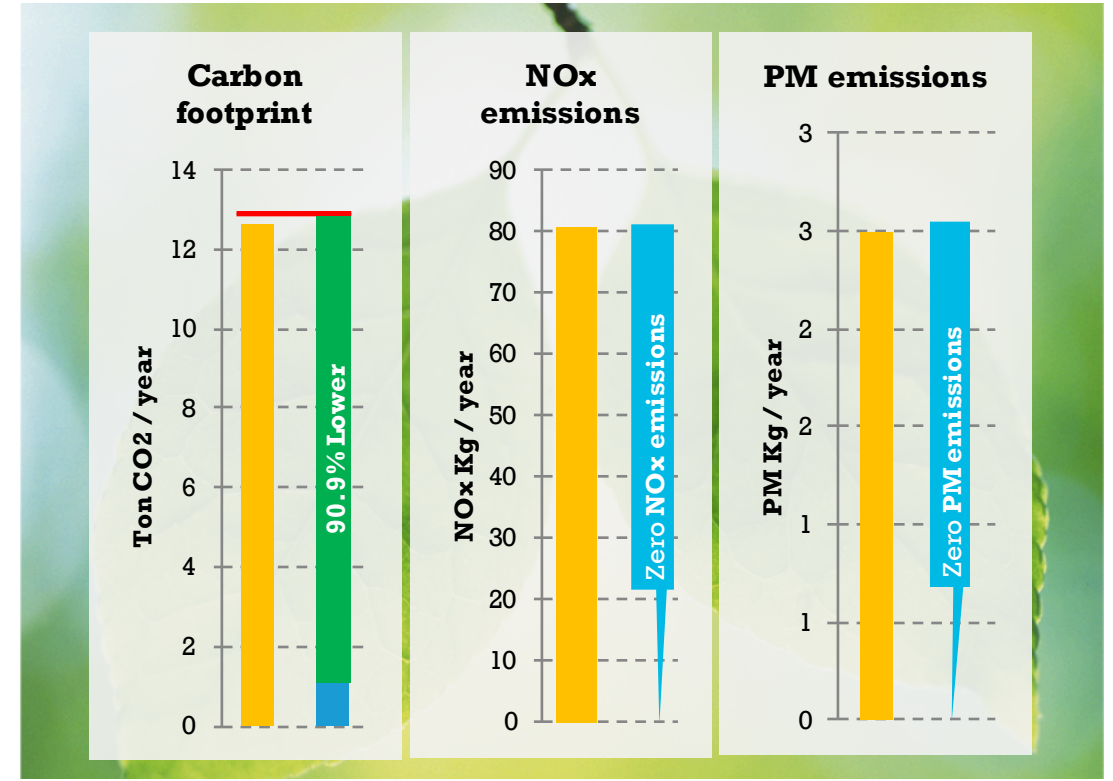

Public locations

# UNIT COST & EMISSIONS

■ Diesel refrigeration     ■ CryoTech Refrigeration

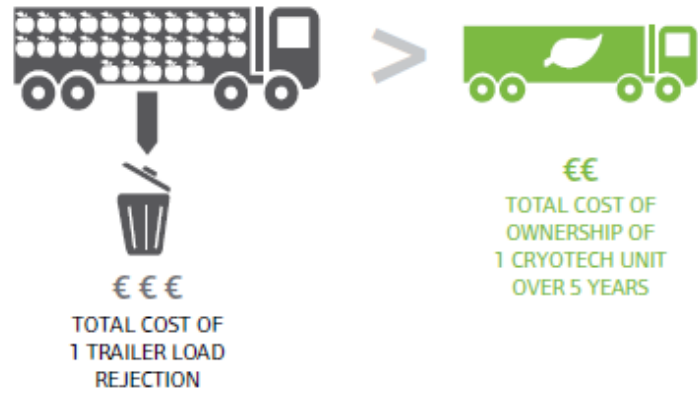

■ Diesel refrigeration     ■ CryoTech Refrigeration

Based on current customers operating optimized fleets in Northern Europe.

# VALUES

## Stop cargo rejection

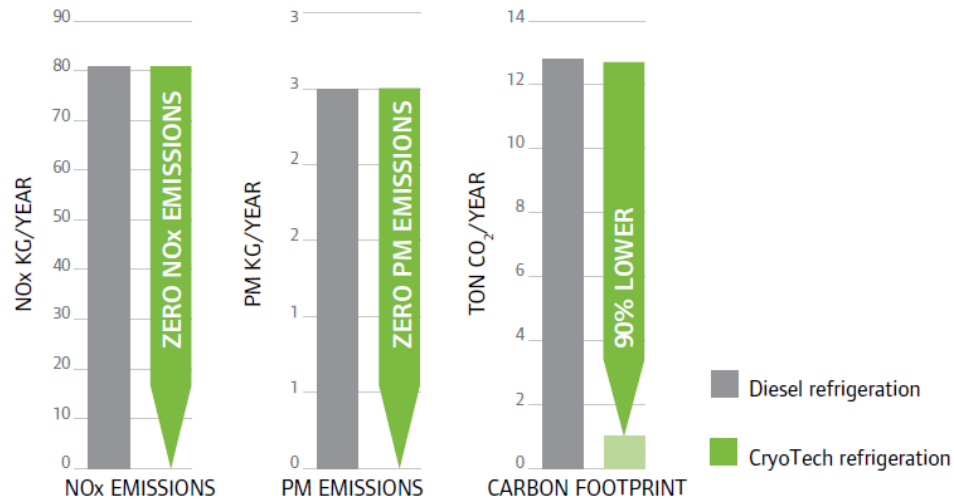

Cost comparison

## Longer shelf life

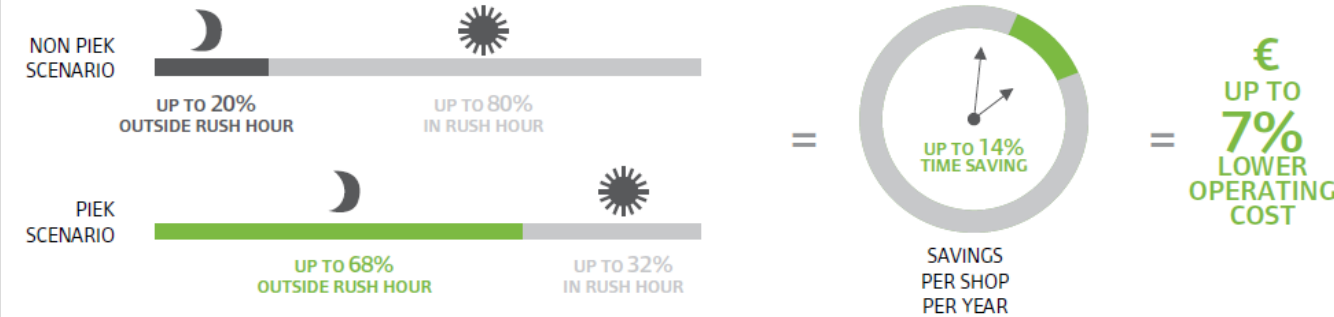

## Zero emissions

## Zero traffic jams

Distribution pattern and savings

# CONCLUSION

- Keeps the **integrity** of the **cold chain in all conditions**
- Allows **night distribution in every corner of the city**
- **Cleanest and most sustainable**
- Meets all future EU and cities increasingly strict **legislative requirements:**
  - Noise
  - HFCs
  - Engine emissions
  - Traffic congestion

**THERMO KING**

**HIGH-TECH. LOW-STRESS.**
