This year's highlights include an exclusive policy session with Patrick McInerney, director of the International Ozone Protection and Synthetic Greenhouse Gas Section in Australia's Department of the Environment, who will introduce the latest regulatory issues and standards for natural refrigerants in the Australia/New Zealand region as well as the international dimension.

Summary of ATMOsphere Australia 2017 will be created on Storify, including all news posted on all shecco Media brands.

Keep up with all the articles: <https://storify.com/sheccomedia/>
