**ATMO**  
**sphere**  
business case  
**natural refrigerants**

25 & 26 June - Atlanta, Georgia

**AMERICA** **ATMO**  
**sphere**  
business case  
**natural refrigerants**

25 & 26 June - Atlanta, Georgia

## Online Training:

Industrial Refrigeration 1, 2, and 4

Basic Electricity 1 and 2

Safety Training

General Safety

Work Place Safety

Ammonia Safety

Emergency Response Training

Hazard Communications

## Skills assessment

- End of chapter tests
- End of book tests
- ANSI Accredited Certification Testing
  - Certified Assistant Refrigeration Operator (CARO)

- Certified Industrial Refrigeration Operator (CIRO)

## Skills assessment

- **Certified Refrigeration Energy Specialist (CRES)**

## Skills assessment

- **RETA Authorized Instructor (RAI)**

## **In the future**

- **Additional training resources**
- **Training for other **Natural Refrigerants****
- **Interactive online training**
- **Continued quality presentations at the National Conference**
- **Regional seminars**
- **Additional Accredited Certification Tests**
